CAREER OBJECTIVE

To obtain a position in a competitive environment that will challenge me to push my boundaries, expand my knowledge, conduct researches that can improve the way of life of people & become a successful professional in the field by channelling my technical knowledge and skills to ensure personal and professional growth and to contribute to the prosperity of the organization.

EXPERIENCE

NIGER BISCUIT, GBARA OGUN

Quality in-process Officer, 2016 – 2018

- Assisted the laboratory chemist with analytical tests, analyzing samples, raw in processed and finished products.
- Operated and maintained analytical instruments using wet chemistry methods including titrations, PH, ash content and moisture contents of samples.
- Measured product dimensions, examine functionality & compare the final product to specifications.
- Perform regular quality assessments on all incoming materials from vendors and outgoing products for shipping.

ROYAL PRIESTHOOD LABORATORY, LAGOS

Laboratory Assistant, Sept 2013 – Dec 2013

- Conducted laboratory tests, analysed results and document my findings
- Cleaned and sterilized equipment & work area.
- I also prepared samples for testing using various laboratory equipment
